

Creating Your Film Submission!

Recording Checklist

Join your fellow sailors in creating a stewardship anthem that will be featured in The Sailing Museum.

What you will need

- A mobile device or camera

Setting up your camera

- Set your camera settings to 4K at 30fps. If your mobile device does not support 4K, set the camera to 1080 at 30fps.
- For iPhone, go to Settings > Camera and you'll see a "Record Video" menu where you can adjust the video settings.
- For Android, watch this video: <https://www.youtube.com/watch?v=w0WgAeSGggg>.

Choosing a filming location

- Choose a location with even light illuminating the front of your face. Avoid being backlit.
- Select a **QUIET** location away from distracting noise.
- Go outside. Get out on the water. Choose a location you love!

Framing the shot

- Stabilize the camera as much as possible.
- Position the camera horizontally, in **LANDSCAPE** orientation.
- If you are using a phone, do not use the built-in zoom. Just move closer.
- Please limit your video to 2 minutes.

Speaking to the camera

- Make sure the microphone is picking you up clearly.
- Smile, shout, dance, sing if you want to! Let your passion for your home waterway show!

Additional imagery & video

- Send us additional video or photographs you have that demonstrate your love for the water, the sport of sailing and your commitment to taking care of the places we sail!
- Video footage should be 1080 or 4K. Photos should be highest resolution possible.

Upload your images & video

- Visit thesailingmuseum.org/film to submit your content.
- Email us at info@thesailingmuseum.org for support, if needed.

Thank you for helping to create this exhibit and inspiring others to take action!
